ANNUAL MEETING

The 2021 annual meeting was held on Saturday, June 12th at Lakeside Golf Course with approximately 38 Little Pine residents in attendance. President Gary Layman introduced the Board Members and Ken Krajsa introduced the Beach Captains.

Ken Krajsa from the LPLA discussed the Water Quality Sampling Program. Samples are collected once a month from May to September. The water testing done on Little Pine show the lake is within parameters of the eco region. More information can be found on the Otter Tail County Coalition of Lake Associations (OTC COLA) **website: ottertailcountycola.org**. Specific information relating to the water quality analysis for all the lakes in OTC are included.

Gary Layman provided an update on the Little McDonald/Paul/Devil Lake pumping. Kevin Fellbaum has sent Gary notifications when the pumps are turned on and off. On 5/28/21 the lake level for Little Pine was down 1.5 feet from the OHWM. More detailed information about the pumping project can be found on the Ottertail County Public Works **website: ottertailcountymn.us/department/public-works**. Click "Projects" and scroll down to Little McDonald, Kerbs, Paul & Devils Lake link.

Fish Ladder update: Construction will not occur at the same time as CSAH 8 bridge project. The project has been funded, and no money is coming from the LID. Construction during the winter months is **LittlePineLake.org**

less disruptive so the planned start date is winter 2022/2023. The East Ottertail Soil and Water Conservation District is managing the project.

Dan Bucholz, Ottertail County Commissioner, District 1 attended the meeting. He gave meeting attendees a few updates on Ottertail County. Questions about water issues, contact Kevin Fellbaum or Darrin Melville. There are 2 new LIDS being added Eagle Lake and Lake Lida. There are only 7 LIDS in OTC and all are in District 1. Bridge – 2 older bridges were found while digging on the project. The bridge was planned to be completed by August 13th, but doubtful it will meet deadline. He has asked the county for better detour signage to get around the construction. There will be a bike trail from Perham to Pelican Rapids. The best way to get ahold of Dan is to call his cell phone 218.849.2143.

The Treasurer's report was given by Mary Bader. We have \$12,000 in reserve fund set aside for invasive species and approximately \$9363 in the general fund. We had 155 paid members out of possible 265, with more expected.
